What is the organization's primary exempt purpose?

Children R Future is a nonprofit- charity organization that is registered in the State of Missouri, USA. The charity has emerged from the belief that every child should live in good health and happiness. Today, our organization supports over 1500 sick, disabled, or orphaned children in rural villages in Iran, with focuses on those diagnosed with Phenylketonuria (PKU), Epidermolysis bullosa (EB), and cancer. Providing families with resources that are unavailable otherwise, Children R Future arranges special medical diets, medicine, surgeries, and medical evaluations. We assist mothers of orphans who are the sole providers for their families through high demand skills training to encourage self sufficiency. Our successes lie in the stories of the families and children assisted and we have many more plans for the future.

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title.

Explanation: We sincerely regret the delay in filing our tax return and appreciate your understanding as we clarify the circumstances that led to this oversight. We encountered unexpected challenges that contributed to the delay, including --

Extended Bookkeeping Process: Our bookkeeper required additional time to compile and organize the necessary financial records. Given the complexity of our transactions and the volume of documentation involved, the preparation took longer than initially projected. --

Miscommunication Regarding Extension: Our CPA had initially suggested filing an extension on our behalf. However, due to a lack of confirmation, we were unaware of whether the extension had been processed. By the time we followed up, the deadline had passed, leaving us with limited options. To rectify the situation, we proactively prepared and submitted the return ourselves to ensure compliance, despite the delay. We want to emphasize that this delay was entirely unintentional, and we deeply value our tax obligations. Moving forward, weve implemented stricter record-keeping practices and improved communication with our tax advisors to prevent any recurrence.
